Product information

This sock is made from a recycled yarn and features a comfort top, flat toe seam and a technical toe. The addition of heel reinforcement, a cushioned sole and an elastic arch enhance support and comfort. The sock also has ribbed crew cuffs and ventilation zones which ensure it is soft and comfortable to wear.

Socks

The unisex range of workwear socks come in a variety of styles and colour. Features include reinforced heels and toes for durability and a cushion sole area providing extra comfort and warmth.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.

Features

- Soft and comfortable
- Reinforced heel and toe area for added durability
