Product information

Experience the ultimate in comfort, sensitivity, and protection with our super-light 15-gauge nylon liner glove. This glove is a streamlined version of our flagship A350 glove, with reduced packaging and single colour branding, making it a more economical choice. Featuring a soft nitrile foam palm, this glove provides exceptional grip and protection against water, oil, and grease, even in warm and humid conditions. Sold in packs of 12 for maximum value.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
